### **Shooting Range Reservation instructions**

Members may reserve range time up to 14 days in advance. There is a 3 shooter limit per lane. You should reserve enough lanes to accommodate the size of your group.

The following slides will assist you in making your own range time.

Should you have any problems scheduling your range time, please Call 303-662-9900 for immediate assistance then report the problem by email to: [Customer Service](#)
